

Redlands Educational Partnership
Evening of Appreciation

Dear Staff,

The annual Evening of Appreciation will be held this year on Monday, May 11th at 6:30 pm in Blackstone Theater.

The Evening alternates between elementary and secondary schools. This year we honor elementary teachers and classified employees, as well as classified employees from the district offices.

The nominees are nominated by their peers. Certificated employees may nominate a teacher and/or a classified employee. Classified employees may nominate a classified employee. Each elementary school will have one teacher and one classified honoree, so once all nominations have been received, the teacher and classified employee with the most nominations at each school site become the official honorees.

The honorees are each videotaped in action at their school site. These videos have become the highlight of the Evening.

A panel of judges will review the nomination forms and select 4 teachers and 4 classified employees as 'winners' which are announced at the Evening.

***This year we have streamlined the nomination process. Instead of printing thousands of nomination cards, REP has posted the nomination forms on our website. To nominate someone, simply fill out the form, answering the question, "Why is this person Outstanding?" and then print it and return through district mail. Forms are available online now and will be due to the district office by February 14th.**

We have also posted the list of previous winners and nomination criteria for each award. Please do not nominate a previous winner.

All nominations are due to the district office by Friday, February 14th. Please send them through district mail - care of Tish Valzquez.

Thank you,
Mallory Mudge, REP Evening of Appreciation Chairwoman
